Wintzer's New Pedigree Cannas.

New Pink Canna, MAIDEN'S BLUSH—A new color in Cannas, absolutely pure pink. Almost the exact color of Daybreak carnation, entirely different from all others, and sure to be in great demand. Large, regular, well expanded flowers; borne in large trusses all through the growing season. Recommended as one of the very best and most distinct Cannas recently introduced; everybody wants it as soon as seen; it will pay you to have it in stock. Blooms early, medium height, bluish green foliage, fine dormant roots. \$2.50 per doz.; \$15 per 100.

New Crimson Canna PHILADELPHIA—Tested for three years in comparison with all the best crimsons, it has fairly proved the brightest and most beautiful of all. It is a splendid bright glowing red, very rich and velvety, remarkable for shedding its old flowers as fast as they wither, leaving the beautiful fresh blossoms shine out bright and clear all through the season; early and constant bloomer, handsome foliage, medium height, healthy and vigorous. **If you want the best Crimson Canna, ask for Philadelphia and take no other.** Dormant roots, \$2.50 per doz; \$15 per 100.

New Dwarf Canna GOLDEN PEARL—This is the most wonderful dwarf canna yet produced; blooms in small pots when only six or seven inches high; the flowers are large, frequently over four inches across, and are borne in handsome clusters—eight or nine at a time. The color is rich golden yellow, with deep red throat. Elegant for house culture, pots and vases, also for bedding; undoubtedly the most beautiful dwarf canna yet produced. Stock limited. Price \$1 each; \$10 per doz.

(CONTINUED.)

New Pink Canna Pink Enmanii—Clear, bright rose pink, the only canna of this color yet introduced, entirely distinct in form and color; blooms early and all the time; very handsome banana like foliage; excellent compact habit; makes a beautiful contrast with other kinds, very effective for massing. \$2.50 per doz; \$15 per 100

New White Canna, ALSACE—Equal to the finest improved kinds, grows in favor year by year, and is the nearest approach to a pure white canna yet introduced. Flowers are at first light sulphur yellow, soon changing to rich cream white; immense bloomer, constantly loaded with flowers all through the season. Makes nice shapely plants three to four feet high, one of the very best kinds for bedding and massing, and always wanted because of its rich creamy white color; wonderfully beautiful in evening and by moonlight. \$1 per doz; \$6 per hundred.

Emma—Queen Charlotte crossed with Star of '91; fine dwarf grower, very large flowers; deep, glowing crimson, with a faint thread of yellow; immense bloomer; fine for pots. \$2 per doz.

Fair Persian—Rich clusters of beautiful flowers, sea shell pink changing to amber and fawn. \$2 per doz.

Giant Crimson—Flowers very large rich crimson, and produced in enormous branching spikes; constant and profuse bloomer. \$2.50 per doz.

Marigold—Color, deep orange; a healthy vigorous grower and abundant bloomer. \$2 per doz.

Orange Queen—Large trusses of splendid flowers, pure orange gold, finest of this color. \$2 per doz.

Primrose—Pure primrose yellow; a vigorous grower and very free bloomer; one of the best for general planting. \$2 per doz.

Pillar of Fire—A giant among Cannas, growing 6 to 7 feet high; very bright, scarlet; flowers large and borne in strong erect spikes, constant bloomer, invaluable for centre pieces. \$4 per doz.

Queen Eleanor—The finest yellow spotted Canna; large, full spikes of beautifully formed flowers; rich, golden yellow elegantly spotted with bright scarlet, best of its color. \$2.50 per doz.

Rose of May—Bright rosy pink, large heads of handsome flowers, constant bloomer, extra fine. \$2 per doz.

Sunset—Fine creamy yellow, delicately shaded with lovely sunset tints; the color of the sunset rose. \$4 per doz.

Triumph—Flamingo type, but more vigorous, larger flower and truss; rich, bright red, broad, thick petals, very durable, a constant bloomer; very handsome and desirable. \$3 per doz.

New and Scarce CANNAS.

Constellation—A deep shade of orange, with lighter border; makes a fine show all season. \$2 per doz.

Eldorado—Bright, clear, golden yellow, faintly dotted with red; profuse bloomer, one of the best. \$2 per doz.

Burbank—Originated in California; very large orchid shape flowers, bright golden yellow throat faintly marked crimson; early and profuse bloomer. \$2 per doz.

Franc Buchner—Rich orange crimson, flowers very large, very free bloomer. A splendid new variety of great value. \$2.50 per doz.

Mrs. Fairman Rogers—The famous Newport Canna, the most beautiful gilt-edged variety to date; lovely vermilion scarlet edged with bright canary yellow. Splendid for pots and bedding. \$2.50 per doz.

New Peachblow Canna—(*Alba Rosa Grandiflora*)—Valuable for the charming combination of rose, pink, and sunset tints. \$1 per doz.

Queen Charlotte—Crimson and gold, very grand and showy, and considered the finest of its type for bedding. \$1 per doz; \$5 per 100.

Rosalba—Fine cream white, dotted with rose; very beautiful and entirely different from every other kind. Stock limited. \$4 per doz.

Souv. d'Antoine Crozy—A splendid gilt edge variety; rich crimson, edged with golden yellow; enormous bloomer. \$2 per doz.

Souv. de Prest. Carnot—The finest dark leaved variety yet produced; very grand and beautiful. \$2.50 per doz.

Miscellaneous Plants for Florists.

Bougainvillea Sanderiana—A useful greenhouse plant, blooms as freely as a fuchsia, and its rosy crimson flowers continue in perfection for months at a time. 3 in. pots, \$2 per doz.

Caryopteris Mastacanthes (*Blue Spirea*)—A pretty, ornamental shrub, hardly here; neat, compact grower; blooms in August and continues for weeks with pale blue flowers. \$1 per doz; \$5 per 100.

Justicia Velutina (*New Dwarf Justicia*)—Large, erect pompons of beautiful feathery pink flowers, borne all summer; blooms elegantly in pots or beds. Good 2½ in. pots, \$1.25 per doz; \$8 per 100.

Justicia Flava (*NOVELTY '97*)—Similar to "Velutina," but bright golden yellow flowers. A very handsome and valuable plant for florists. \$2 per doz.; \$12 per 100.

New Crimson Spirea, A. WATERER.

Undoubtedly the most valuable hardy ornamental Shrub recently introduced; grows 12 to 18 inches high; bushy, compact form. It is a true perpetual bloomer, bearing large clusters of bright crimson flowers all through the season or as long as kept in growing condition; highly recommended for bedding and borders, also as market plant for florists and for forcing; its constant bloom and bright color make it particularly valuable. Price—Fine one year plants from open ground, \$6 per 100, \$50 per 1000; two year plants, \$10 per 100.

NEW CRIMSON SPIREA, A. WATERER.

NEW DOUBLE RUDBECKIA. (Golden Glow.)

Bright golden yellow flowers, three inches in diameter, perfectly double, borne in profusion all through July and August; entirely hardy, invaluable for florists' use and bedding. 75c per doz; \$5 per 100.

NEW MAMMOTH CANNAS.

New Mammoth Canna AUSTRIA—NOVELTY '97. A splendid European variety; grows five to six feet high; leaves 15 to 18 inches long and 8 to 10 inches broad. Flowers 6 to 7 inches across and borne erect in immense trusses; color pure deep golden yellow, truly magnificent. Dormant roots, \$4 per 100.

New Mammoth Canna ITALIA—NOVELTY, '97. Belongs to same class as Austria and imported from Europe at same time. Equally large as Austria, and similar in every way except color, which is rich golden yellow with a broad blotch of dark crimson maroon in the centre of each petal and throat. \$1.50 per doz.; \$10 per 100.

NEW STRAWBERRY RASPBERRY.

NEW Strawberry Raspberry; or, Tree Strawberry.

Tested here for three years, and constantly growing in favor; one of the most beautiful fruits ever seen. Berries the size and shape of the largest strawberries; bright, rich, glowing scarlet; fine for jams, jellies, and cooking. Bush grows 18 inches to two feet high, bears the first season and continues fruiting for three months; dies down in winter, but is entirely hardy, and does well everywhere regardless of drought or heat. \$1 per doz.; \$5 per 100.

Golden Japan Mayberry—Grows in tree form, entirely different from other berries; claimed to bear large, luscious golden yellow fruit, ripening before strawberries. 75c per doz.; \$4 per 100.

NEW LOGAN BERRY;

Or, BLACKBERRY RASPBERRY.

...THIS handsome New Berry originated in California, and has been on trial here for three years. It bears abundantly and is quite hardy; fruit about the size of the largest blackberries, ripening early in July; beautiful, bright, purple color; sweet, delicious flavor, very few seeds, fine for eating and cooking. Sells high in market, and will be scarce for years. All small fruit people want it.

It is a valuable specialty for catalogue trade, and we will be glad to supply plants and make special arrangements with those desiring to offer it. Correspondence solicited. Price, strong ground plants, \$5 per hundred; \$40 per thousand.
